

RICARDO DE SA EARP
Executive Vice President
Global Distribution Integration, Sales & Marketing
STMicroelectronics

Ricardo De Sa Earp is STMicroelectronics' Executive Vice President, Global Distribution Integration, Sales & Marketing, and has held this position since January 2026. In this role, he is responsible for developing and executing a comprehensive global distribution strategy.

De Sa Earp started his career with Philips Consumer Electronics in Sao Paulo, Brazil, working in TV design. In 1993, he moved to the Electronics Division of Valeo, where he held positions in marketing and project management. De Sa Earp joined ST in 1997 as Strategic Marketing Manager in the ASD&IPAD Division and successfully led the Division as its General Manager from 2003. In 2018, De Sa Earp was appointed Group Vice President and General Manager of the Microcontrollers Division. He served as EVP, General-Purpose Microcontroller Sub-Group Vice President since 2022, and most recently held the role of Deputy to the President of ST's Microcontrollers, Digital ICs and RF products Group.

Ricardo De Sa Earp was born in Petropolis, Brazil, in 1963. He graduated in Electronic Engineering from the Instituto Tecnológico de Aeronáutica São José dos Campos, Brazil, and completed his master's degree in Electronic Engineering at the Technical University of Eindhoven, Holland. De Sa Earp also holds an MBA from INSEAD in France.
